Omar Ziyada

Backend Developer · Media Computer Science (B.Sc.)

Bremen, Germany · +49 176 24435164 · omarziyada.bremen@gmail.com

Profile

Media Computer Science (B.Sc.) graduate from Hochschule Bremen with hands-on experience as a backend developer at Webmen GmbH. Trained Mathematical-Technical Assistant (Business Informatics), with a foundation in programming, business administration, accounting and SAP. Confident with Java, Spring Boot, MySQL and PostgreSQL and familiar with the full software development process, from analysis to testing and deployment. Experienced with AI-assisted development (Claude, Cursor), with additional skills in UI design using Figma.
